Union Commission Approves Resolution for POST Program

The City Commission of the City of Union approved Resolution 2018-02 by a vote of 5-0 to encourage the Board of Education or Board of Trustees to consider a program or policy that would allow school employees, who volunteer, and are properly screened and trained, to carry firearms for the protection of the students, staff, and the Boone County Schools. This Resolution is similar to one passed last month by the Boone County Fiscal Court.
